PRELIMINARY AMENDMENT

Sir:

Prior to examination of the above application, please
enter the following amendments.

IN THE CLAIMS

CLEAN COPY OF AMENDED CLAIMS:

16. (Amended) An adjustable extension arm for mounting an
electronic device thereto, said extension arm comprising a
forearm extension having an internal elongated channel opening
upward and extending between first and second ends of said
forearm extension, a first endcap having a first end to which
said first end of said forearm extension is rotationally mounted,
said first endcap including an opening extending therethrough in
communication with said internal elongated channel within said
forearm extension, a second endcap attachable to a support

I hereby certify that this correspondence is being deposited
with the United States Postal Service with sufficient postage as
